PARENT PARTICIPATION RESPONSIBILITIES

One of the hallmarks of The Country Day School is the parent involvement component. We rely heavily on parent participation to make all of the activities a success. Therefore, we need full parental involvement to assist with the many special events and social functions both in and out of the classroom. Please take the time to look over this list of activities and choose a minimum of three that you would like to help with. You will receive a reminder call from the parent chairing the event. If you are willing to chair an event, please let us know. Thank you so much – your help is invaluable!
