

SNACK/LUNCH COUNTER NOTICE

In years past, the Snack/Lunch Counter was run on a PRE PAY basis.

If you wish, you may create a SNACK ACCOUNT for your child by sending in a check or cash (e.g. \$10.00). This will enable a Snack Account to be set up for your child.

Each time your child purchases something from the Snack Counter the amount will be deducted from his/her account.

When the balance becomes low you will be notified so that you may add further funds to the account should you wish to do so.
